

Defining Success—Considering Metrics

- ❖ Each person should identify possible outcomes of a successful intervention.
- ❖ Identify specific challenges and questions using the accompanying worksheet.
- ❖ Consider and develop a list of what tools, resources, or information your group will need to achieve your goals?

Consider the Following...

- ❖ What does success look like?
- ❖ Who will see that success?
- ❖ What metrics will change? How?
- ❖ What will be happening?
- ❖ What will *not* be happening that is now?
